

Get your sleuth on!

I just came in from outside. Use clues in the photo to make conjectures. Support your conjectures with what you observe.

Where was I?

When was this taken?

What about the weather conditions?

Now, let your creative juices run and make up a story behind it.

Get your sleuth on!

I just came in from outside. Use clues in the photo to make conjectures. Support your conjectures with what you observe.

Where was I? **in the grass (grass debris on my feet)**

When was this taken? **Autumn (leaves)**

What about the weather conditions?

Warm, rainy, late October (in bare feet, rain-spotted jeans, after leaf fall)

Now, let your creative juices run and make up a story behind it.
